

Literary Lū'au at Borders Town Square

Author, S.P. Grogan, will be signing his most recent mystery, *Captain Cooked* and his best selling *Vegas Die*, on Saturday, September 25th, 2-5 p.m. at Borders Town Square, 6521 Las Vegas Blvd. South (702.383.6734).

Captain Cooked offers a tour of Hawaiian culture, including 25 recipes from the top chefs and restaurants on The Big Island of Hawai'i, with a portion of book sales contributed to the Hawaiian Food Bank Program. Similar to the treasure hunt formula of *Vegas Die*, there is a Hawaiian war club hidden somewhere on The Big Island and redeemable for a cash prize, with the clues found by reading *Captain Cooked*.

One reviewer said, “Captain Cooked is like Janet Evanovich morphing into Rachel Ray while filming a remake of *The Perils of Pauline*.”
